

ROBERT MOREMAN MEMORIAL SCHOLARSHIP APPLICATION GUIDELINES

Deadline April 15th of the Graduating Year

The Robert Moreman Memorial Scholarship (RMMS) is available to graduating seniors from Wimberley High School (WHS) and Katherine Anne Porter School (KAPS) in Wimberley, Texas. The goal is to fund multiple \$5000+ scholarships annually, depending on available funds.

Students applying for this scholarship need to show how their continuing education will support one or more of Wimberley Valley Arts and Cultural Alliance (WimberleyArts.org)'s artistic pillars: visual, performing, literary and culinary arts, or how they are dedicated to becoming tradesmen: crafters, builders or makers.

Scholarships will be awarded to students seeking higher education in colleges, universities or after high school technical or trade schools. While academic performance (grades) will be considered during the selection process, they will not be the sole criterion when selecting the scholarship recipients. See requirements below.
